

?Freehold property for sale!

A rare opportunity to purchase an early nineteenth century freehold building in the town area. Located within Gibraltars well known Governors street.

This 450m2 property consists of 2 adjoining buildings one of which has direct street access, whilst the other sits, sets back from the road in a communal style tenement building, colloquially known as a "patio de vecinos".

The property is currently divided into 10, 1 & 2 bedroom apartments, including 2 large store rooms, a separate first floor office suite, as well as a communal roof terrace and a duplex 3 bedroom apartment with access to a private 22m2 roof terrace.

A desirable product which would benefit from redevelopment (subject to planning application) to include the addition of several more floors to create an ideal buy to let portfolio.
